Hi [redacted].

The below is a copy of a submission I have sent to you team on the 14th May. I have amended this copy as I have mixed up mm and centimetres in my first email.

Feel free to contact me if required

Regards [redacted]

Please accept this as a submission of an OBJECTION to the C217ball amendments. The area of our property [redacted] and surround properties a flood risk of 0.1 km

Reason for OBJECTION:
100 mm not a significant enough risk to implement
in a flood water overlay.

Thank you for meeting with me recently. Please find attached the requested / discussed maps.

Apologies for the delay.

The mapping images attached show:

1. Mapped 2100 RCP8.5 flood depth and extents over your property.
2. Mapped 2100 RCP8.5 flood depth and extents with aerial images over your property.
3. Proposed overlay map extents on your property.

Please reply to this email if you have any questions or would like to make a submission.

Kind regards,

[redacted]
